

# ELITECAD

## System requirements

### Hardware requirements

#### Minimum system requirements for HD (2K and 2,5K)

- Intel Core i5 3 GHz, AMD Ryzen 5 3GHz
- 8 GB RAM
- OpenGL graphics card 1 GB RAM (OpenGL 3.3 compatible)

#### Recommended system requirements for HD (2K and 2,5K) or minimum system requirements for VR (Virtual reality headset) and UHD (4K)

- Intel Core i7 3 GHz, AMD Ryzen 7 3GHz
- 16 GB RAM
- OpenGL graphics card 4 GB RAM (OpenGL 4.4 compatible)  
e.g. NVIDIA GeForce RTX 3060 or AMD Radeon RX 6600 or higher

#### Recommended system requirements for VR (Virtual reality headset) and UHD (4K)

- Intel Core i9 4 GHz, AMD Ryzen 9 4GHz
- 16 GB RAM
- OpenGL graphics card 8 GB RAM (OpenGL 4.4 compatible)  
e.g. NVIDIA GeForce RTX 4070 or AMD Radeon RX 7700 or higher

#### Recommended system requirements for 3D Stereo output in Ultra HD (4K)

- Intel Core i9 4 GHz, AMD Ryzen 9 4GHz
- 32 GB RAM
- OpenGL graphics card 16 GB RAM (3D stereo and OpenGL 4.4 compatible)  
e.g. NVIDIA RTX A5000 or AMD Radeon PRO W6800 or higher
- 3D PluraView UHD (4K) stereo monitor with 3D glasses from Schneider Digital

#### Disk space

- 20 GB standard installation
- SSD recommended

### Operating systems (only 64-Bit)

- Windows 11
- Windows 10

### Languages

- German
- English
- French
- Greek
- Polish
